Career Objective

I am a highly motivated tech enthusiast with exceptional analytical and problem-solving skills, seeking a challenging and dynamic role in the IT sector. Eager to contribute to the growth of an organization while staying updated with the latest trends and emerging technologies.

EDUCATION

Acharya Institute of Technology — Bachelor of Technology in Information Science and Engineering

Dec 2020 - May 2024, Bangalore, India | 8.58

Sri Chaitanya PU College — Class 12

May 2018 – July 2020, Bangalore, India | 89%

Deva Matha Central School — Class 10

March 2018, Bangalore, India | 78%

PROJECTS

- Project 1: **College Club Management System - DBMS Mini Project**

- Developed a web application for the college clubs to integrate onto one platform and help the club members to take part in activities held by various clubs.
- Tools used - HTML, CSS, and JavaScript as the front-end tools, and SQL and PHP as the back-end tools to demonstrate the functionalities of DBMS concepts

- Project 2: **Personal Portfolio Website**

- Created a personal portfolio website using HTML, CSS, and JavaScript to showcase my work and skills.
- <https://sumanthc07.github.io/Portfolio/>

- Project 3: **SGPA/CGPA Calculator**

- Developed an Android application named SGPA/CGPA Calculator using Java and Android Studio. The app allows users to calculate their Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA) based on their course grades and credits
